Supplemental Pain Management Program

The past decade has seen great advancements in pain management in veterinary medicine. We at Ark Animal Hospital would like to offer our surgery patients this benefit and provide post-operative pain relief. For any of our surgery patients we do recommend pain management. For cats this includes an injection; for dogs this includes an injection and four days of oral medication. For more involved procedures stronger drugs may be used. All pain medication is at an additional cost:

CHOOSE ONLY ONE

- | | |
|---|---------|
| Cats: <input type="checkbox"/> Pain Injection | \$32.90 |
| Dogs: <input type="checkbox"/> Pain Injection & Oral Medication 0-25# | \$38.36 |
| Dogs: <input type="checkbox"/> Pain Injection & Oral Medication 26-50# | \$42.50 |
| Dogs: <input type="checkbox"/> Pain Injection & Oral Medication 51-75# | \$58.70 |
| Dogs: <input type="checkbox"/> Pain Injection & Oral Medication 76-100# | \$75.70 |
| Dogs: <input type="checkbox"/> Pain Injection & Oral Medication >100# | \$91.80 |

NO, Do not use pain management for my pet.
